## “Your shipment plan is our responsibility”

In the year 2020, COVID-19 pandemic has disrupted the global economy affecting the demand and supply chain. What could still hold the economy together and bring back the order is good logistics services and management.

Founded in 1981 with decades of experience guaranteed in international logistics and tax privileges, customs brokerage, and service management for machineries, raw materials and consumption goods, SNP Group proudly takes part in bringing back prosperity to the business section with our professional logistics management team.

Dr. Sitthichai Chawarangoon  
Chief Executive Officer

## “Logistics complexity is no longer a necessity”

Over the decades since the founding of SNP Group, we have overcome countless inevitable challenges as written in our milestone. Many generations of experiences have sharpened our expertise and we are now more ready than ever to provide you with the best logistics services. Your satisfaction is our obligation.

As SNP Group is now in the hands of a new generation, I would like to personally assure you a business service with constant collaboration to prevent any obstruction. Our management team strives to accelerate and simplify every shipment so that complexity is no longer compulsory.
